Subject: **Westpoint Harbor Public Access Signage Plan**

Hello Erik,

As requested, a revised Public Access Signage Plan for Westpoint Harbor is attached. It is the previous plan updated with changes from Ellen Miramontes' 12/29/12 markup, together with signage from Amendment 6 and inclusion of parking. Changes are as follows:

- Moved two "Public Shore" signs from trail ends to trail intersections (Ellen)
- Added boatyard "Public Restroom" sign (Amendment 6)
- Included Boat Launch sign (boat launch symbol, DBW, FWS, BCDC text requirements)
- Included "Public Access Hours" signs matching Pacific Shores Center/BCDC signage. (All marina access is via Pacific Shores Center)
- Included both regular and car/trailer Public Parking signs
- Added Guest Dock signs (DBW "transient dock" signage)

I will send a 2' X 3' hard copy as well as a PDF file of the plans today. I hope you find this satisfactory.

Best regards,
